

BS EN ISO 9001 / BS EN ISO 13485/BRC Issue 4

Our Statement of policy is:

- to provide a quality product and service to our customers.
- to set business objectives, measure performance and take corrective and preventive actions as required.
- to monitor and measure customer satisfaction and service levels.
- to maintain a training programme that ensures:
 - » this policy is understood, implemented and maintained at all levels within the company.
 - » the objectives of the business are supported
- to continually improve our products & services.
- to ensure compliance and effectiveness of the company Quality Manual and operating procedures to not only meet but exceed relevant national and international standards.
- to maintain our registration to BS EN ISO 9001, BS EN ISO 13485 and BRC Global standard for consumer products (Issue 4) and ensure the continued effectiveness of the system.
- to maintain conformity to relevant product conformity directives and regulations including:
 - » Medical Devices Directive 93/42/EEC as amended by 2007/47/EC
 - » Personal Protective Equipment Directive 89/686/EEC
 - » Food Contact Regulation EU 1935/2004
 - » Pas 29
- to ensure that adequate resources and infrastructure are in place to meet the business objectives.
- to review the policy periodically to ensure ongoing suitability.
- This company undertakes to supply only safety equipment that fully complies with the standards and regulations and claims made relating to those products. Where appropriate, this company will maintain up to date technical files and associated documentation to ensure that regulatory compliance information can be supplied upon request. Where products are sourced from external organisations which hold technical files relating to the products being offered, this company will request confirmation that these files are current, complete, contain appropriate conformity assessment information and, where relevant, regulatory compliance certificates and will take all necessary steps to confirm the validity of the compliance documentation held by that external supplier in respect of the products being sourced.
