

## Capilex FC

CFC

Upmost grip and dexterity in our most comfortable fully coated sandy nitrile to date

### Sectors:

- Automotive • Construction & Utility
- Engineering and Manufacturing
- Oil and Gas • Waste Management and Local authority

### Packing

- 10 pairs per paper wrap
- 60 pairs per case

### Features

**Full Sandy Nitrile Coating:** Developed specifically to deal with dusty conditions, the fully coated sandy nitrile coating ensures hands are kept clean and safe in the most challenging environments

**Comfort:** Yarn make-up has been optimised to make the glove as flexible as possible. This combined with a coating developed over a long R&D process, ensures the hand fatigue usually associated with fully coated gloves is minimised

**ISO Cut B:** Offers cut resistance to a variety of hazards whilst remaining soft and comfortable

**Reduced Plastic Packaging:** Capilex FC is packaged with reduced plastic to ensure we are protecting more than just hands.

**SilverClear®** glove formulated from silver, a powerful and proven antimicrobial agent that inhibits bacterial, fungal and viral growth. The additive will protect the gloves from microbial growth but also from mold and bad odours avoiding premature material degradation and discoloration.

<b>Code</b>	CFC
<b>Colour</b>	Black/Grey
<b>Sizes</b>	6-12
