Recycled Polythene

Our range of polythene bags are manufactured from up to 100%* recycled material.

Designed to be just as durable and reliable as traditional bags, providing long-lasting strength, recycled polythene helps reduce waste, conserve resources, and lower environmental impact.

*Excluding PBL, SBL, SQBL, FAC/7

Polyco Healthline is a CHSA accredited manufacturer. The Cleaning & Hygiene Suppliers Association is dedicated to maintaining high standards within the cleaning and hygiene industry through rigorous audits and adherence to a code of practice.
