Features

Cut Resistant Palm: The palm area only is cut resistant to ISO level D. This is achieved with a blend of technical yarns, nylon, and spandex knitted in 15gg.

30 CM Long: To ensure chemical protection up the arm.

Feel: After a period of intense R&D, Grip It Oil Gauntlet X has much improved feel and dexterity. This was based on end user feedback that the current PVC glove is too thick and rigid.

Durable: Dual Nitrile coating provides great durability ensuring great life of product

Grip: The outer black micro foam nitrile coating is designed to give great grip in the wet and dry

Comfort: 15gg seamless knitted liner is extremely comfortable

Flexible: Specially formulated Nitrile ensures flexibility
