

Capilex D

CPD

Durable, dexterous, great cut resistance all combined with a foamed Nitrile coating for enhanced grip.

Sectors:

- Automotive • Construction & Utility
- Engineering and Manufacturing
- Oil and Gas • Waste Management and Local authority

Packing

12 pairs per polybag / 48 pairs per case

Features

Lining: 18 gauge seamless knitted liner is ultra-lightweight; breathable and highly flexible; ensuring ultimate comfort at all times

Heat Resistant: Heat resistant to contact heat level 1 to broaden real world application suitability

Cut Resistant: Achieves cut level D according to EN388, for protection in high/very high risk cut hazard applications

Abrasion Resistant: Achieves maximum score for abrasion resistance as defined by European Standard EN388

Grip: The palm coating is infused with microfoam bubbles increasing resistance to oils and maximising grip in wet and oily handling environments

Primary Coating Polymer: Nitrile

Comfort: Ultra-lightweight liner engineered without the addition of brittle glass fibre or steel; ensures the safety and superior comfort of the wearer during prolonged use

Unique Feature: Flat nitrile reinforcement between the thumb and forefinger offers additional protection in an area that is highly susceptible to wear and tear

Fit: Soft seamless knitted liner provides superior comfort for this level of protection. Materials flex in conjunction with the hand's natural movement

Code	CPD
Colour	Grey/Black
Sizes	6-12
