

Dyflex® Ultra

DFU

Seamless knitted glove with Dyneema Diamond Technology and polyurethane palm coating

Sectors:

- Automotive • Construction & Utility
- Engineering and Manufacturing • Oil and Gas • Warehousing, Transport and Logistics
- Waste Management and Local authority

Packing

- 1 pair per polybag
- 12 pairs per master polybag
- 48 pairs per case

Features

Cut Resistant: The liner, made with Dyneema® Diamond Technology, provides an excellent level of cut resistance without the use of abrasive materials

Grip: Polyurethane palm coating provides outstanding abrasion resistance and an excellent grip

Comfort: The seamless construction of the soft yarn provides an exceptional level of comfort, whilst the open back style allows for excellent breathability

Dexterity: Designed to be close fitting to give maximum dexterity for the most tactile of operations

Knit Wrist: Elasticated knitted wrist provides a secure fit and keeps hands free from dust and debris

Sanitized™ glove featuring an antimicrobial treatment that provides added protection against harmful bacteria and fungi. The additive protects the gloves from microbial growth, odours and provides long lasting material protection

Code	DFU
Colour	Grey
Sizes	6-11
