

Grip It® Oil C3

Seamless knitted cut resistant liner with dual nitrile coating

GIOK3

Sectors:

- Automotive • Construction & Utility
- Engineering and Manufacturing • Waste Management and Local authority

Packing

- 10 pairs per paper band
- 60 pairs per case

SilverClear®

Features

Heat Resistant: Heat resistant to contact heat level 1 to broaden real world application suitability

Cut Resistant: Achieves cut level B according to EN388, for protection in medium/low risk cut hazard applications

Grip: Utilises two layers of nitrile coating to provide ultimate abrasion protection and gripping ability. The first layer which is a full coating is soft and resilient allowing for excellent dexterity. The second layer which is a palm coating; is infused with microfoam bubbles increasing resistance to oils and maximising grip.

Abrasion Resistant: Maximum abrasion resistance and reinforced thumb crotch increase durability and ensure longevity

Mechanical Hazards Protection: Made from a technically engineered yarn; the liner attains excellent EN388 scores in all categories

Closure: Elasticated knitted wrist provides a secure fit and keeps hands free from dirt and debris

Flexibility: Offering improved strength whilst maintaining a high level of dexterity and flexibility

Primary Coating Polymer: Nitrile

Environmental: Packed without the use of plastic; reducing the overall weight of packaging

Comfort: Seamless construction will not irritate hands

Fit: Soft seamless knitted liner provides superior comfort for this level of protection

Unique Feature: SilverClear® glove formulated from silver; a powerful and proven antimicrobial agent that inhibits bacterial; fungal and viral growth. The additive will protect the gloves from microbial growth but also from mould and bad odours avoiding premature material degradation and discoloration.

Code	GIOK3
Colour	Orange/Black
Sizes	7-11
