Product features

- With 56 tissues per box, each tissue is made from fast-growing, FSC 100% approved Bamboo, which produces 65.5% fewer carbon emissions than a standard tree-based tissue.
- Certified by FSC and Vegan Society.
- Each box of 56 Bamboo Tissues helps you to reduce your Carbon Footprint by 0.08kg.
- Any additional carbon which is emitted through the production, manufacturing and distribution is offset through our partnership to protect and preserve the vulnerable Annamite Lowland rainforest in Khe Nuoc Trong, Vietnam.
- Inner and outer box can be easily recycled (where facilities exist).
- Minimally packaged to help reduce waste.
