

**EXT
RESCUE®**

4014

Exactly what a first responder needs. The EXT Rescue® barrier 4014 is comfortable, highly protective, and meets OSHA requirements for blood-borne pathogen resistance. It's made with SuperFabric® brand material in the palm, giving you level A8 cut resistance and level 3 puncture resistance, so you can handle broken glass and twisted metal with confidence. Purpose-built to give you everything you need, this is the safest glove out there for first responders.
