

GGT5 4021X

Introducing the 4021X GGT5® the most complete glove for the oil and gas industry. Our HexArmor Mud Grip® was engineered to provide industry-leading cut and puncture protection, and a strong grip in light-to-medium oil situations.

The 4021X maximizes protection while providing comfort, grip, puncture protection and dexterity in the toughest environments including the oil and gas industry, drilling, tool pushing, extrication, heavy construction, and mining. The GGT5® Series also offers the best impact protection on the market today.
