

2030X

The Rig Lizard® 2030X features our highly flexible IR-X® Impact Exoskeleton™ from wrist to fingertips. This dampens blunt forces and blows from impacts to the back of the hand to bring your hands a whole new level of protection from smash and pinch injuries, offering upgraded level 2 impact protection. SuperFabric®* brand material on the palm provides level A6 cut and level 3 puncture protection, while the durable synthetic leather palm with silicone pattern provides superior grip and abrasion resistance. A SlipFit® cuff with hook and loop closure for a secure fit.
